BID CENTER

Bid Center users can now share projects externally

- ✓ **Value**: Users of different companies can collaborate on projects by simply sharing projects via email
- ✓ **Value**: Shared projects are automatically added to the Bid Center for further management
- ✓ **Value**: This feature is available for both paid and unpaid users
- ✓ **Value**: Users can share projects with multiple recipients at a time
- ✓ **Value**: Sharing of curated and ITB projects is currently supported, with sharing of custom projects coming soon
- ✓ **Value**: Feature replaces internal share

*Inline Share Option from project list view*
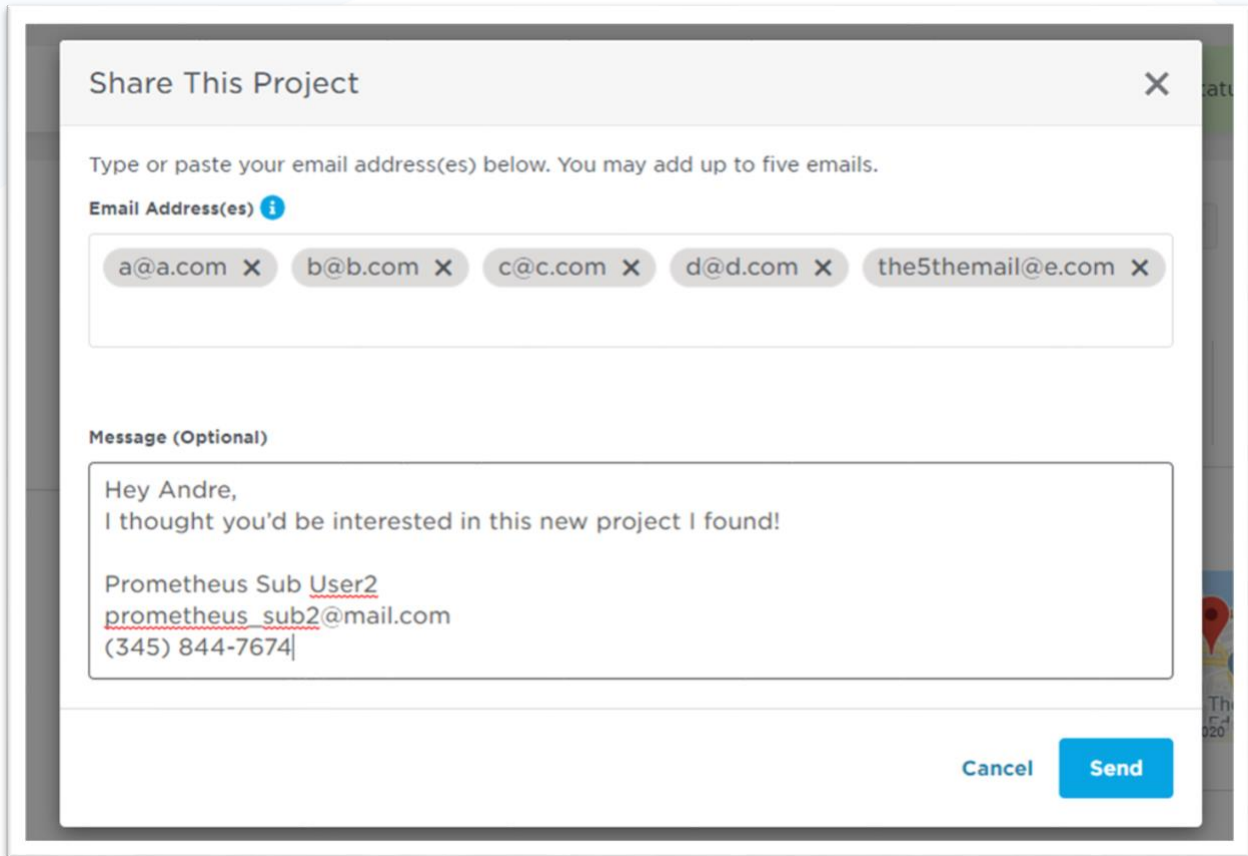

Share Option from Other Actions menu

Share button on Project Detail Page, right rail

External Share modal
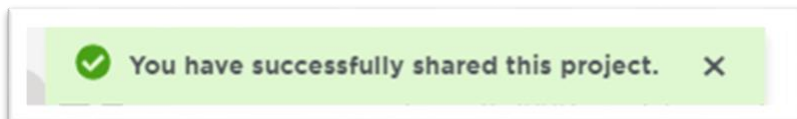

- Ability to enter up to 5 emails,
- Write up a custom message,
- and include an automatically populated e-signature
